For invoices relating to content capture and loading only; this link will show you for which specific GTINs you are being invoiced.

This link will show you the applicable terms and conditions document.

Simplified descriptions make it easier to understand your invoice.

For invoice-related enquiries, you will need to quote your Customer Number.

For all other enquiries, you should use your Subscriber ID.

If this field is blank, no P.O. Number is currently being applied.

Go here to access our online payment portal.

This number shows how many times this item's price is being applied within this invoice.

In this example, 25 GTINs are being invoiced for the Nutritional Content Capture service (you can see which GTINs have been invoiced for a Content Capture service through the details portal linked to above).

This is the total amount due.
